iSi Environmental Services Named to Inc. Magazine's 'Inc. 5000'

Wichita-based environmental and safety consulting firm, iSi Environmental Services (iSi), has been named to Inc. Magazine's Inc. 5000 list.

The Inc. 5000 lists the 5000 fastest-growing, privately-held companies in the nation. iSi is listed as number 24 in the Environmental Services category and number 1,671 overall, the highest of all Wichita companies represented on the list.

Other Wichita companies listed in the Inc. 5000 include Capps Manufacturing, IT Source, Fahnestock Plumbing, HVAC, & Electric and Backwoods.

iSi has won several growth and achievement awards since 2005 when it nearly tripled its employee count and revenue. iSi was named Wichita's 2006 Small Business of the Year by the Wichita Metro Chamber of Commerce, has been a Wichita Best in Business finalist for the past two years and also won a 2007 Kansas Department of Commerce Business Achievement Award.

iSi provides EPA and OSHA compliance assistance, industrial cleaning and maintenance, environmental sampling, asbestos and lead, occupational worker exposure and training services to industry and government. All of the company's 88 employees are based in Wichita. iSi's work is primarily in the Midwest and Central Plains, but they do have contracts which take them throughout the United States. More information about iSi can be found at www.iSienvironmental.com.
